## **The Chedi Andermatt, Switzerland**

Year round, our Swiss alpine environment enhances the restorative powers of The Chedi Andermatt's 2,400 square metre spa and wellness centre. Swim power laps in our temperature-controlled outdoor lap pool or cozy up with organic tea by our 35-metre indoor pool poised to look out upon the Alps.

Keep your heart healthy with state-of-the-art Technogym fitness equipment and free weights. Take yoga classes and personal training sessions with our certified instructors. Warm up in our bio and Finnish saunas, or try an organic sol steam bath.

In ten deluxe treatment suites, our highly trained international therapists will knead and pamper you with the finest organic products, from SpaRitual, ila, REN and Alpienne, the latter incorporating local folk remedies, pure olive oil, beeswax, and lanolin. Complete your deserved indulgence with a manicure, pedicure and hair styling in our elegant alpine inspired lounges.
