## **Royal Mansour hotel, Marrakesh, Morocco**

The Royal Mansour Marrakech Spa is a true paradise which promises to stimulate the senses, encourage relaxation and offer you a unique, unforgettable spa experience.

At the heart of the Spa, an authentic hammam provides guests with a signature bathing ritual that combines heat, fragranced steam, warm water, 'marocMaroc' hammam products and a cold plunge pool to revitalize the body and soul.

In a soothing light, surrender to the traditional Moroccan purification ritual: the Kessa mitt and the black soap scrub, while lying on hot marble.

Hamman treatments have many benefits which include:

- Enhancing deep relaxation and rejuvenation while reducing stress and anxiety.
- Physical and emotional detox, helping nourish skin and hair.
- The deep heat and steam can also speed up ones metabolism and blood flow.

Spa gardens is our best kept secrets is our stunning elegant green oasis sanctuary nestled in the city of Marrakech. Surrounded by nature, guests can enjoy the still water gardens and the citrus tree lined pathways by finding solace in a private seating area.
